FLASH DESIGN INTERACTIVE

1

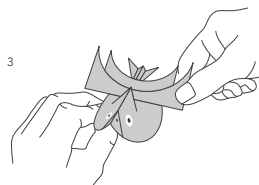

On page 2, cut along the solid white lines into 6 pieces.

2

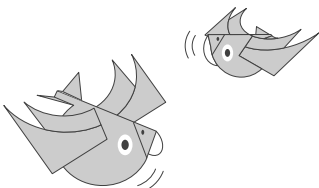

Fold up and down along the dotted lines to form the bodies.

3

Insert the wings into the slits.

4

Rockaby birdies on the treetop...

Seven years of creating engaging interactive online solutions for Fortune 500 companies. Accomplished in Flash development and interactive design coupled with the unique ability to combine creative intuition with technical execution. Understanding of aesthetics, technology and project experience allows for projects to be carried from conception to completion. Would like to apply my insight towards being a senior team leader for a groundbreaking interactive agency.

2006-PRESENT **MICROSOFT** INTERACTIVE CONSULTANT

Focused on cutting-edge research and online projects. Work closely with staff and contractors to generate interactive prototypes and assess technical feasibility. Work and analytical skills added clear benefit to products and services ranging from Zune.net to Microsoft Surface to innovative online social calendars.

2006-PRESENT **FILTER/TALENT** INTERACTIVE AND DESIGN CONSULTANT

Resourcefulness and strong multitasking abilities led to the completion of numerous assignments with overlapping schedules. Able to address any task with energy and a high standard of excellence. Conceived and executed projects for clients including Microsoft, AT&T, Pluggd, and MyLifeBrand.

2005-2006 **ARC WORLDWIDE** ART DIRECTOR

Fast-paced creative work culture was responsible for reinforcing and evolving the identity of Fortune 500 companies. Managed cross-disciplinary teams and vendors who conceived and developed award-winning projects for clients including Cadillac, Xbox, Disney and Procter & Gamble.

1999-2003 **THE SCHOOL OF THE ART INSTITUTE OF CHICAGO** BACHELOR OF FINE ARTS

1998-1999 **MILWAUKEE INSTITUTE OF ART & DESIGN** FUNDAMENTALS OF ART AND DESIGN
